## **ASSIGNMENT** - 2&3

ise do not close your browser while this is los

Creating security groups... Successful Authorizing inbound rules...

B

## Launch Status

Your instances are now launching
 The following instance launches have been initiated: I-08a1ed348b4828bbf
 View launch log

Get notified of estimated charges
Create billing alerts to get an email notification when estimated charges on your AWS bill exceed an amount you define (for example, if you exceed the free usage tier).

Click View Instances to monitor your instances' status. Once your instances are in the running state, you can connect to them from the Instances screen. Find out how to connect to your
